

Schlüter®-KERDI-BOARD-W

Tileable Washbasin - Product Selection Tool

This is an interactive tileable washbasin selector tool, designed to take the complexity out of choosing the perfect configuration for your project. Please click on the options below to select your choices and finish.

1. Choose your washbasin design style

*Please Note: The installation substrate must be rigid, even and load-bearing. Always ensure fixings appropriate to the substrate are used.

2. Choose your drainage profile

3. Choose your drainage profile finish

Metalic finish

Texture colour coated finishes
