

Schlüter®-FINEC

Fine Edge Protection Tile Trims for Walls – Product Selection Tool

This is an interactive selector tool, designed to take the complexity out of picking the perfect tile trim for your project, please click on the options below to select your choice of tile trim, size and finish.

Schlüter®-FINEC

A high-quality finishing profile made of either stainless steel or aluminium for the external edges of tile coverings, mosaics or rendered surfaces. The finishing leg of the profile protects the covering edges from mechanical damage and creates an elegant, slim detail.
